Dear parents, students, and patrons:

Do you have old cell phones, ink or toner cartridges, or other technology items that you don't know what to do with? The Homedale School District can turn them into cash for our schools! We are partnering with Recycling Fundraiser and Staples to recycle items like cellular phones, ink and toner cartridges, digital cameras and other used technology items. Not only does this recycling program earn money for our schools – it also protects the environment and may give you a tax break as well!

Homedale School District will receive cash for these items:

- ink cartridges
- toner cartridges
- cellular phones
- laptop computers
- I-Pads & tablets
- digital cameras & camcorders
- mobile hotspots & MIFI devices
- iPods & MP3 players
- handheld game systems
- game consoles (Xbox, Wii, PS3)
- gps devices & radar detectors
- e-book readers
- graphing calculators
- 4 GB air cards

Your used item(s) may be tax deductible and will be recycled in accordance with EPA regulations or refurbished and sold. 100% of the proceeds will help fund technology purchases in the Homedale School District.

We greatly appreciate your support! Drop your donated items into a recycle bin in the main office at any of the schools in Homedale or at the District Office. For more information about our recycling program, go to the Homedale School District website – www.homedaleschools.org - and go to the Technology Department page.

Thank you,

Homedale School District

Tax Deductible Donation Acknowledgement

Thank you for donating your used consumer electronic item(s). We cannot make any determination as to the value of the specific item(s) you have donated to us. Generally speaking, older items will not warrant a tax deduction (but still can be recycled). You should consult your tax advisor regarding value determination for tax purposes. The IRS requires the following information for tax deductions of \$250 or less. Please fill in the information indicated below and retain this for your tax records.
