Dear Parent/Guardian

I have many 5th/6th graders requesting to check out young adult books. Books that are marked young adult may have inappropriate content for a younger reader. With your permission I will check out young adult books to your child, but with the understanding that some of the young adult books contain inappropriate material.

Please sign the attached permission form to give your child permission to check out young adult books. If you have any questions or comments, please contact me.

Thank you
